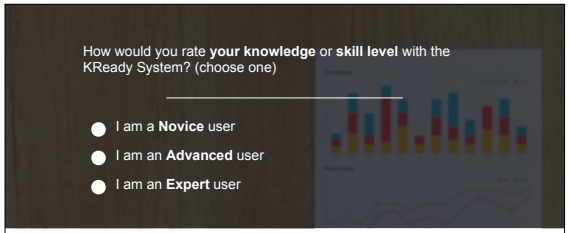
Policy + Practice Questions

5



Poll

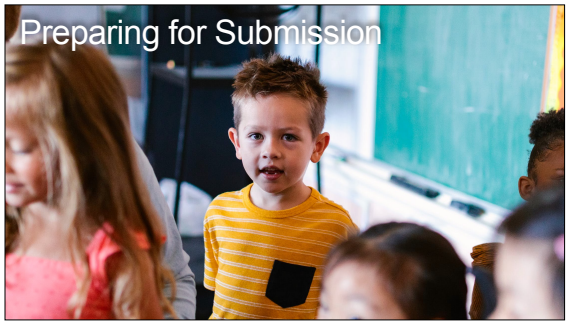
6

7

*Important Information

- All student assessment data must be entered by **Nov 14 at 11:59 PM**.
- Clean up data related to the student file, teacher information or enrollment, as necessary.
- Initiate and approve Transfer requests as needed.
- Download all desired reports from the system to create an archive.
- Data Managers have until **Nov 23 at 11:59 PM** to complete data clean up.

8



9

Data Clean Up

Access the KReady System and available reports to address the following:

- Transfers
- Student scores and data
- Teacher status (active/inactive)
- Enrollments (student + teacher linkages)
- Current Data Collection (**fall2022ela**)*
- POA

10

Which reporting tool is your program using? (choose one)

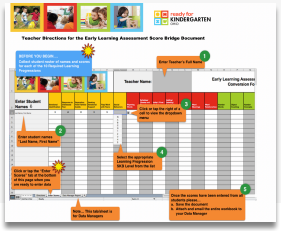
- Ready for Kindergarten Online System (a.k.a. KReady)
- Early Learning Assessment Bridge Form

Poll

11

Programs Using the Bridge Form

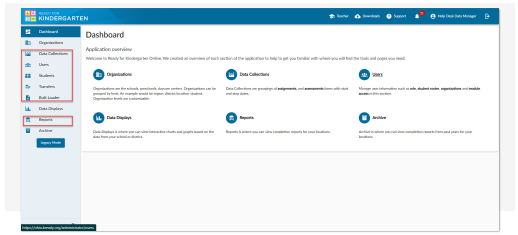
Make sure data is accurate in the Bridge Form.



12

KReady System

13

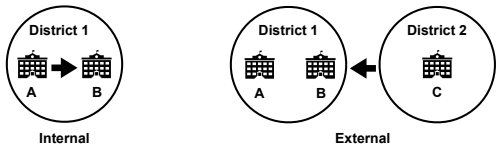


Transfers

14

Transfers: Types

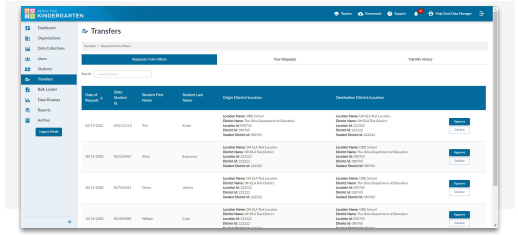
15



- Internal - within the same district
- External - from one district to another district

Transfers: Status

16



Preparing

Student Scores & Data	Teacher Status	Enrollments	Data Collection	Point of Authority
Complete/Missing	Active/Inactive	Students & Teachers Linked	**fall2022ela**	Assigned

17

18

Reports

ELA SKB Ratings Report	Data Downloads	ELA Learning Progression Report
Report showing teacher entered SKB student ratings. Available during and after the data collection window.	Report showing all data loaded for the current collection window. This report is helpful to confirm and check data loaded in the KReady system. Available during and after the data collection window.	Report showing the final Learning Progression rating for the required Learning Progressions. This is the report for EMIS and EAS. Available after the data collection window.

19

ELA Reporting Requirements: 2022-2023

	Public School Programs	Nonpublic and ODJFS-licensed Programs
STUDENTS	Children receiving PSE services ECE funded children	ECE funded children
DATA	10 Required Learning Progressions (24 Skills, Knowledge and Behaviors)	10 Required Learning Progressions (24 Skills, Knowledge and Behaviors)
REPORTING SYSTEM	EMIS	EAS

20

EMIS and EAS Reporting

21

EMIS reporting dates are found on the EMIS Calendar.

Fall assessment data collection is open through **March 31, 2023.**

NOTE: EMIS reporting dates may change at any time.

EAS reporting dates and directions are found in the FY23 Grantee Manual.

Report fall assessment data by **January 15, 2023.**

Missing Student Scores

22

What to do when a Learning Progression score is "N"

student_first_name	awareness_and_expression_of_emotion	relationships_with_adults	cooperation_with_peers	phonological_awareness
Gordon	1	C	3	3
Rachael	N	5	3	3
Guy	1	1	1	1
Jamie	N		N	N
Ina	N	B	5	5
Jacques	1	3	2	2
Tom	1	3	2	2
Wolfgang	N	D	N	N

Missing Learning Progression Scores

23

For each missing score (or score of 0 on the Bridge Form)

- Report ***
- Report 'Score Not Reported' reason
- Use reason code 'F' only if no other valid reason code applies
- A score of 0 on the Bridge Form indicates a missing score.

ELA Timeline | Fall 2022

24

Aug. 15	Fall Data Collection Opens
Nov. 14	Data Collection Closes
Nov. 23	Data Clean Up Ends
Early Dec.	Reports Available
